

Demographics

This is an anonymous research project, however, we are interested in knowing if views are affected by age and gender. We are also interested in finding out if the decisions of people who live on the border with Wales have been influenced by changes to the Welsh policy for organ donation, therefore we are asking for your postcode. None of this data can be used to identify you.

This should take no longer than 5 minutes to complete.

1. Your gender

- Male
- Female
- Prefer not to say

2. Your age

- Under 16
- 16 - 24
- 25 - 34
- 35 - 44
- 45 - 54
- 55 - 64
- 65 or over
- Prefer not to say

3. Could you please provide the first part of your postcode, eg, TF9, SY6, etc

***4. This is a research project and may be used to lobby central government for a change in policy dependent on the majority response.**

With this in mind would you prefer one scheme from the other if certain measures are in place. With this in mind, and after reading the background information which explains the project and the difference between the policies, are you in favour of:

- A. An opt-in policy (you must join the scheme)
- B. An opt-in policy if certain measures are in place (please say below what these would be)
- C. An opt-out policy (you are automatically opted in and must say if want to leave)
- D. An opt-out policy if certain measures are in place (please say below what these would be)

Additional measures (please specify)

***5. Where would you like to find out more information about organ donation?**

- Speaking to friends/family
- Speaking to a Doctor
- Speaking to a Nurse
- Speaking to another healthcare professional (please provide detail)
- Researching on the internet
- Information leaflets in pharmacies, doctors, dentists, etc
- Other (please specify)

***6. Where did you hear about this research?**

- Shropshire Council website
- Word of mouth
- Posters in GP surgeries
- Through my employer
- Local newspaper
- Radio
- Social media
- Other (please specify)

7. If you wish to make any further comments, please add them to the box below:

Thank you for participating in this research.

Results of this survey will be available in the Autumn.
