Questions within the quality sections shown above will be scored using the following scoring scheme. Each answer from the questions identified below will be given a mark between 0 and 10 with the following meanings:

| Assessment | Mark | Interpretation |
| :---: | :---: | :---: |
| Excellent | 10 | Exceeds the requirement. <br> Exceptional demonstration by the Tenderer of how they will meet this requirement by their allocation of skills and understanding, resources and quality measures. Response identifies factors that demonstrate added value, with evidence to support the response. |
|  | 9 |  |
| Good | 8 | Satisfies the requirement with minor additional benefits Above average demonstration by the Tenderer of how they will meet this requirement by their allocation of skills and understanding, resources and quality measures. Response identifies factors that demonstrate added value, with evidence to support the response. |

| Serious Reservations | 2 | Satisfies the requirement with major reservations. Considerable reservations regarding how the Tenderer will meet this requirement by their allocation of skills and understanding, resources and quality measures, with little or no evidence to support the response. |
|  | 1 |  |
| Unacceptable | 0 | Does not meet the requirement <br> Does not comply and/or insufficient information provided to demonstrate how the Tenderer will meet this requirement by their allocation of skills and understanding, resources and quality measures, with little or no evidence to support the response. |

The use of odd numbers indicates an answer's allocated mark lies between definitions.
The tender receiving the highest initial mark for Quality Criteria overall will receive the full 400 marks available for Quality. Other tenders will receive a final mark that reflects the final \% difference in the initial marks between those tenders and the tender receiving the highest initial mark for Quality overall.

Section C, question 1.1 will be evaluated by using the unit costs for machinery tendered and multiplied by the number of those machines which we have in our inventory, then added together to provide an overall basket cost.

The most competitively priced tender will receive the maximum mark for price being 600. Less competitive tenders will receive a $\%$ of the maximum mark that represents the difference in cost between that tender and the most competitively priced tender.

Validating Prices and overall cost tendered:
Please note any contract awarded at the conclusion of this procurement process must be able to viably operate and be sustainable. Tendered prices and overall costs will therefore be subject to scrutiny, and may be rejected if considered by Shropshire Council not to be sustainable over the duration of the contract or not to be affordable. Clarifications sought may require the provision of the tenderer's calculations of their tendered Prices or any other aspect of the overall cost.
Failure to provide satisfactory evidence to support any part of this aspect of the tender may result in the tender being rejected.

The Contractor shall supply to the Council full particulars of such proposed changes and the Council shall be afforded reasonable time to consider them.
6.10 The Contractor shall indemnify and shall keep indemnified in full the Council and at the Council's request any Replacement Provider against all Direct Losses arising from any claim by any party as a result of the Contractor or sub-contractor failing to provide or promptly to provide the Council and/or any Replacement Provider where requested by the Council with any information required under this Clause 6.1 to 6.4 inclusive ("the Retendering Information") and/or Employee Liability Information or to provide full Retendering Information and/or Employee Liability Information or as a result of any material inaccuracy in or omission from the Retendering Information and/or Employee Liability Information provided that this indemnity shall not apply to the extent that such information was originally provided to the Contractor or any sub-contractor by the Council and was materially inaccurate or incomplete when originally provided.

## 7. EMPLOYMENT REGULATIONS EXIT PROVISIONS

Such change in the identity of the Contractor of such services may constitute a Relevant Transfer to which the Employment Regulations and/or the Acquired Rights Directive will apply. The Council and the Contractor further agree that, as a result of the operation of the Employment Regulations, where a Relevant Transfer occurs, the contracts of employment between the Contractor and the Transferring Contractor Employees (except in relation to any contract terms disapplied through operation of regulation 10(2) of the Employment Regulations) will have effect on and from the Service Transfer Date as if originally made between the Replacement Provider and/or a Replacement Sub-contractor (as the case may be) and each such Transferring Contractor Employee.
7.2 The Contractor shall, and shall procure that each Sub-contractor shall, comply with all its obligations in respect of the Transferring Contractor Employees arising under the Employment Regulations in respect of the period up to (and including) the Service Transfer Date and shall perform and discharge, and procure that each Sub-contractor shall perform and discharge, all its obligations in respect of all the Transferring Contractor Employees and other employees or former employees of the Contractor or each Sub-contractor (who had been engaged in the provision of the Services) arising in respect of the period up to (and including) the Service Transfer Date (including the payment of all remuneration, benefits,

7.3 Subject to clause 7.4, the Contractor shall indemnify the Council and/or the Replacement Provider and/or any Replacement Sub-contractor against any Employee Liabilities in respect of any Transferring Contractor Employee (or, where applicable any employee representative as defined in the Employment Regulations) arising from or as a result of:

> Contractor Employee for whom it is alleged the Council and/or the Replacement Provider and/or any Replacement Sub-contractor may be liable by virtue of this Contract and/or the Employment Regulations and/or the Acquired Rights Directive; and
> (g) any claim made by or in respect of a Transferring Contractor Employee or any appropriate employee representative (as defined in the Employment Regulations) of any Transferring Provider Employee relating to any act or omission of the Contractor or any Sub-contractor in relation to its obligations under regulation 13 of the Employment Regulations, except to the extent that the liability arises from the failure by the Council and/or Replacement Provider to comply with regulation 13(4) of the Employment Regulations.

7.9 The indemnity in clause 7.8:
