Dear Sir/Madam

Regulation 16 Consultation: The Three Parishes Neighbourhood Plan (Adderley, Moreton Say & Norton in Hales Parishes)

I refer to your email of 10th July in relation to the above Neighbourhood Plan consultation.

We note that the Three Parishes Neighbourhood Plan does not allocate specific sites for development and instead identifies a series of criteria based policies against which development proposals should be assessed within the neighbourhood area.

As per our Regulation 14 response dated 4th January 2023, in the absence of any specific site allocations within this Neighbourhood Plan we have no detailed comments to make.

To assist you further in your assessment of the Neighbourhood Plan, please refer to the attached Neighbourhood Plan Pro-Forma.

Yours faithfully

Emma Millband
Planning Officer
