Dear Ms Turner

BISHOPS CASTLE NEIGHBOURHOOD PLAN- REGULATION 16 CONSULTATION

Thank you for the invitation to comment on the Submission Neighbourhood Plan.

Our previous comments on the earlier regulation 14 consultation remain entirely relevant, that is:

“Historic England is supportive of both the content of the document and the vision and objectives set out in it and consider that an admirably comprehensive approach is taken to the environment including the historic environment. The design parameters set out in the Bishop’s Castle Character Assessments will no doubt prove invaluable as a context and guide for future development. This approach and those policies designed to conserve and enhance both the distinctive character of the settlement of Bishop’s Castle and the surrounding countryside including Local Green Spaces is highly commendable”.

Beyond those observations we have no further substantive comments to make.

Yours sincerely,

P. Boland.
