- 1.3**      Tenders must be submitted in accordance with the following instructions. Tenders not complying in any particular way may be rejected by Shropshire Council (the Council) whose decision in the matter shall be final. Persons proposing to submit a Tender are advised to read the Invitation to Tender documentation carefully to ensure that they are fully familiar with the nature and extent of the obligations to be accepted by them if their Tender is accepted.
- 1.4**      The Invitation to Tender documents must be treated as private and confidential. Tenderers should not disclose the fact that they have been invited to tender or release details of the Invitation to tender document other than on an “in confidence” basis to those who have a legitimate need to know or who they need to consult for the purpose of preparing the tender as further detailed in these Instructions for Tendering.
- 1.5**      Tenderers shall not at any time release information concerning the invitation to tender and/or the tender documents for publication in the press or on radio, television, screen or any other medium without the prior consent of the Council.
- 1.6**      The fact that a Tenderer has been invited to submit a tender does not necessarily mean that it has satisfied the Council regarding any matters raised in the pre-tender questionnaire submitted. The Council makes no representations regarding the Tenderer’s financial stability, technical competence or ability in any way to carry out the required services. The right to return to any matter raised in any pre-tender questionnaire submitted as part of the formal tender evaluation is hereby reserved by the Council.
- 1.7**      The Invitation to Tender is issued on the basis that nothing contained in it shall constitute an inducement or incentive nor shall have in any other way persuaded a tenderer to submit a tender or enter into a Contract or any other contractual agreement.
- 1.8**      Shropshire Council is purchasing on behalf of itself and any wholly owned local authority company or other entity that is deemed to be a contracting authority by virtue of the Council’s involvement.

## **2.0      Terms and Conditions**

- 2.1**      Every Tender received by the Council shall be deemed to have been made subject to the draft contract and these Instructions for Tendering unless the Council shall previously have expressly agreed in writing to the contrary.
- 2.2**      The Tenderer is advised that in the event of their Tender being accepted by the Council, they will be required to undertake the required services.

### **3.0 Preparation of Tenders**

#### **3.1 Completing the Tender Response Document**

**3.1.1** Tenders should be submitted using the 'Tender Response Document' following the instructions given at the front of the document. The Tenderer's attention is specifically drawn to the date and time for receipt of Tenders and that no submission received after the closing time will be considered.

- a) Where the Tenderer is an individual, by that individual;
- b) Where the Tenderer is a partnership, by two duly authorised partners;
- c) Where the Tenderer is a company, by two directors or by a director and the secretary of the company, such persons being duly authorised for the purpose.

**3.1.3** The Invitation to Tender Documents are and shall remain the property and copyright of the Council

#### **3.2 Tender Preparation and Costs**

**3.2.1** It shall be the responsibility of Tenderers to obtain for themselves at their own expense all information necessary for the preparation of their Tender. No claim arising out of want of knowledge will be accepted. Any information supplied by the Council (whether in the Tender Documentation or otherwise) is supplied only for general guidance in the preparation of tenders.

**3.2.2** Any Tenderer considering making the decision to enter into a contractual relationship with the Council must make an independent assessment of the Tender opportunity after making such investigation and taking such professional advice as it deems necessary.

**3.2.3** Tenderers will be deemed for all purposes connected with their Tender submission where appropriate to have visited and inspected the Council, its assets, all the locations in respect of the delivery of the services/supplies/works and to have satisfied themselves sufficiently as to the nature, extent and character of the services supplies/works sought, and the human resources, materials, software, equipment, machinery, and other liabilities and other matters which will be required to perform the contract.

**3.2.4** The Council will not be liable for any costs incurred by Tenderers in the preparation or presentation of their tenders.

**3.2.5** Tenderers are required to complete all pricing schedules in the Invitation to tender documents. The terms "Nil" and "included" are not to be used but a zero or figures must be inserted against each item. Unit rates and prices must be quoted in pounds sterling and whole new pence.

**3.2.6** It shall be the Tenderer's responsibility to ensure that all calculations and prices in the Tender documentation are correct at the time of submission.

**3.2.7** The Tenderer is deemed to have made him/herself acquainted with the Council's requirements and tender accordingly. Should the Tenderer be in any doubt regarding the true meaning and intent of any element of the specification he is invited

to have these fully resolved before submitting his Tender. No extras will be allowed for any loss or expense involved through any misunderstanding arising from his/her failure to comply with this requirement.

**3.2.8** Any Tender error or discrepancy identified by the Council may be drawn to the attention of the Tenderer who will be given the opportunity to correct, confirm or withdraw the Tender.

**3.2.9** The Tender Documents must be treated as private and confidential. Tenderers should not disclose the fact that they have been invited to tender or release details of the Tender document other than on an In Confidence basis to those who have a legitimate need to know or whom they need to consult for the purpose of preparing the Tender.

### **3.3 Parent Company Guarantee**

It is a condition of contract that if the tendering company is a subsidiary then its Ultimate Group/Holding Company must guarantee the performance of this contract and provide a letter to that effect signed by a duly authorised signatory of the Ultimate Group/Holding Company if requested to do so by the Council. Where the direct parent company cannot provide an adequate guarantee in the opinion of the Council, the Council will look to another group or associate company, with adequate assets, to be the guarantor. In cases where the contract is with a Joint Venture Company (JVC) or a Special Purpose Vehicle (SPV) company, which may have two or more parent companies and which may not be adequately capitalised or have sufficient financial strength on its own to support the risk and obligations it has under the contract, 'joint and several' guarantees / indemnities from the parent companies of the JVC or SPV may be sought.

### **3.4 Warranty**

The Tenderer warrants that all the information given in their Tender and if applicable their Request to Participate Questionnaire is true and accurate. The information provided will be deemed to form part of any contract formed under this contract.

The Tenderer warrants that none of their current Directors have been involved in liquidation or receivership or have any criminal convictions

### **4.0 Tender Submission**

**4.3** Qualified tenders may be submitted, but the Council reserves the right not to accept any such tender. The Council's decision on whether or not a Tender is acceptable will be final.

**4.4** Tenderers should note that their Tender must remain open and valid and capable of acceptance for a period of at least 90 days.

**4.5** Tenderers should note that Tenders and supporting documents must be written in English and that any subsequent contract, which may or may not be entered into, its formation, interpretation and performance, shall be subject to and in accordance with the laws of England and subject to the jurisdiction of the Courts of England and Wales.

**4.6** Where Tender submissions are incomplete the Council reserves the right not to accept them.

## **5.0 Variant Bids**

**5.1** The Council is interested in alternative solutions which would provide and develop opportunities for savings in service costs, service improvement or other financial benefits. In particular, the Council wishes to encourage solutions which also deliver benefits and added value to the local economy, residents and the business community.

**5.2** Tenderers may submit, at their discretion, a Tender offering a different approach to the project as a “Variant Bid”. However, to permit comparability, at least one bid must be submitted strictly in accordance with the Invitation to Tender Documents (the “Compliant Tender”) . Any Tender variant proposed must clearly state how it varies from the requirements of the Compliant Tender Documents, and be explicit in demonstrating the benefits that will accrue to the Council from adopting this approach. Tenderers will be required to identify which submission, in their view, demonstrates best value to the Council.

**5.3** Variant Bids must contain sufficient financial and operational detail to allow any Variant Bid to be compared with the standard Tender, permitting its considerations in written form.

## **6.0 Tender Evaluation**

**6.1** The Tenderers may be called for interview to seek clarification of their tender or additional or supplemental information in relation to their tender. The presentations will not carry any weighting to the final score achieved by Tenderers, but will be used to clarify and moderate issues raised in the Tenderer’s submissions. Any areas of discrepancy between submissions and information gained from the presentations will be reviewed and scores previously awarded will be amended if necessary.

**6.2** If the Council suspects that there has been an error in the pricing of a Tender, the Council reserves the right to seek such clarification, as it considers necessary from the Tenderer in question.

## **7.0 Clarifications**

**7.1** Tenderers are responsible for clarifying any aspects of the tendering process and/or the Invitation to Tender documents in the manner described below.

**7.2** If you are unsure of any section and require further clarification, please contact via our Delta Tenderbox.

**7.5** All information or responses that clarify or enhance the tendering process will be supplied to all Tenderers on a uniform basis (unless expressly stated otherwise). These responses shall have the full force of this Instruction and where appropriate the Conditions of Contract. If a Tenderer wishes the Council to treat a question as confidential this must be expressly stated. The Council will consider such requests and will seek to act fairly between the Tenderers, whilst meeting its public law and procurement duties in making its decision.

**7.6** Except as directed in writing by the Authorised Officer, and confirmed in writing to a Tenderer, no agent or officer or elected Member (Councillor) of the Council has any express or implied authority to make any representation or give any explanation to Tenderers as to the meaning of any of the Tender Documents, or as to anything to be done or not to be done by a Tenderer or to give any warranties additional to those (if any) contained in the ITT or as to any other matter or thing so as to bind the Council in any way howsoever.

**8.3** At any time before the deadline for receipt of tender returns the Council may modify the Invitation to Tender by amendment. Any such amendment shall be numbered and dated and issued by the Council to all participating tenderers. In order to give prospective Tenderers reasonable time in which to take the amendment into account in preparing its Tender return, the Council may in its sole discretion, extend the deadline for submission of the tender returns. The Council reserves the right to amend, withdraw, terminate or suspend all or any part of this procurement process at any time at its sole discretion.

## **9.0 Confidentiality**

- 9.4.3** Tenderers shall not undertake any publicity activity within any section of the media.
- 9.5** Tenderers may disclose, distribute or pass this Invitation to tender to their professional advisors, sub-contractors or to another person provided that:
- 9.5.1** this is done for the sole purpose of enabling an Invitation to tender to be submitted and the person receiving the Information undertakes in writing to keep the Invitation to Tender confidential on the same terms as if that person were the Tenderer; or
- 9.5.2** the Tenderer obtains the prior written consent of the Council in relation to such disclosure, distribution or passing of the Invitation to Tender; or
- 9.5.3** the disclosure is made for the sole purpose of obtaining legal advice from external lawyers in relation to the procurement or to any Contract(s) which may arise from it; or
- 9.5.4** the Tenderer is legally required to make such a disclosure.
- 9.6** The Council may disclose detailed information relating to the Invitation to Tender to its officers, employees, agents, professional advisors or Governmental organisations and the Council may make any of the Contracts and procurement documents available for private inspection by its officers, employees, agents, professional advisors, contracting authorities or Governmental organisations.

- 10.2** In certain circumstances, and in accordance with the Code of Practice issued under section 45 of the Act, Shropshire Council may consider it appropriate to ask you for your views as to the release of any information before we make a decision as to how to respond to a request. In dealing with requests for information under the Act, Shropshire Council has to comply with a strict timetable and it would therefore expect a timely response to any such consultation within five working days.
- 10.3** If, at any stage of this tendering process, you provide any information to Shropshire Council in the expectation that it will be held in confidence, then you must make it clear in your documentation as to the information to which you consider a duty of confidentiality applies. The use of blanket protective markings such as “commercial in confidence” will no longer be appropriate and a clear indication as to what material is to be considered confidential and why should be given.
- 10.4** Shropshire Council will not be able to accept that trivial information or information which by its very nature cannot be regarded as confidential should be subject to any obligation of confidence.
- 10.5** In certain circumstances where information has not been provided in confidence, Shropshire Council may still wish to consult with you as to the application of any other exemption such as that relating to disclosure that will prejudice the commercial interests of any party. The use of odd numbers indicates an answer's allocated mark lies between definitions.

**The tender receiving the highest initial mark for Quality Criteria overall will receive the full 500 marks available for Quality. Other tenders will receive a final mark that reflects the final % difference in the initial marks between those tenders and the tender receiving the highest initial mark for Quality overall.**

### **Price Evaluation and scoring**

The most competitively priced tender will receive the maximum mark for price being **500. Less competitive tenders** will receive a % of the maximum mark that represents the difference in cost between that tender and the most competitively priced tender.

Further information pertaining to the Pricing Schedule on how the scores will be evaluated and instructions on how to fill out the tables are provided in the Pricing Schedule.

### **Bid-rigging dangers – be clear on competition rules**

Bid-Rigging is an illegal anti-competitive business practice where rivals discuss bids for a contract tender, it can involve:

- agreeing with your competitors how much you'll bid for a contract or share information about your bid
- taking turns to win contracts
- asking other businesses to bid when they do not want the contract (called 'cover bids')
- paying other businesses not to bid or when you win a tender

- agreeing with other businesses not to bid or to withdrawing your bid

We are alert to the signs of bid-rigging.

If you think you may have been involved in bid-rigging then it's better to be safe, not sorry and report it to the CMA first, as you may benefit from immunity from fines and prosecution if you report before others do. By reporting to the CMA, you can also avoid the risk of director disqualification. Always seek independent legal advice if you think you may have broken the law.

If you think you've witnessed others breaking the law, report it to the CMA in confidence, you may benefit from a financial reward.

Non-collusive Tendering Certificate

**To: Shropshire Council (hereinafter called “the Council”)**

The essence of selective tendering is that the Council shall receive bona fide competitive Tenders from all persons tendering. In recognition of this principle:

## **SECTION B**

### **Standard Selection Questionnaire**

#### **Potential Supplier Information and Exclusion Grounds: Part 1 and Part 2.**

The standard Selection Questionnaire is a self-declaration, made by you (the potential supplier), that you do not meet any of the grounds for exclusion. If there are grounds for exclusion (there is an opportunity to explain the background and any measures you have taken to rectify the situation (we call this self-cleaning).

For the list of exclusion please see

[https://www.gov.uk/government/uploads/system/uploads/attachment\\_data/file/551130/List\\_of\\_Mandatory\\_and\\_Discretionary\\_Exclusions.pdf](https://www.gov.uk/government/uploads/system/uploads/attachment_data/file/551130/List_of_Mandatory_and_Discretionary_Exclusions.pdf)

A completed declaration of Part 1 and Part 2 provides a formal statement that the organisation making the declaration has not breached any of the exclusions grounds. Consequently we require all the organisations that you will rely on to meet the selection criteria to provide a completed Part 1 and Part 2. For example these could be parent companies, affiliates, associates, or essential sub-contractors, if they are relied upon to meet the selection criteria. This means that where you are joining in a group of organisations, including joint ventures and partnerships, each organisation in that group must complete one of these self-declarations. Sub-contractors that you rely on to meet the selection criteria must also complete a self-declaration (although sub-contractors that are not relied upon do not need to complete the self-declaration).

When completed, this form is to be sent back to the contact point given in the procurement documents along with the selection information requested in the procurement documentation.

#### **Supplier Selection Questions: Part 3**

This document provides instructions on the selection questions you need to respond to and how to submit those responses. If you are bidding on behalf of a group (consortium) or you intend to use sub-contractors, you should complete all of the selection questions on behalf of the consortium and/or any sub-contractors.

If the relevant documentary evidence referred to in the Selection Questionnaire is not provided upon request and without delay we reserve the right to amend the contract award decision and award to the next compliant bidder.

#### **Consequences of misrepresentation**

If you seriously misrepresent any factual information in filling in the Selection Questionnaire, and so induce an authority to enter into a contract, there may be significant consequences. You may be excluded from the procurement procedure, and from bidding for other contracts for three years. If a contract has been entered into you may be sued for damages and the contract may be rescinded. If fraud, or fraudulent intent, can be proved, you or your responsible officers may be prosecuted and convicted of the offence of fraud by false representation, and you must be excluded from further procurements for five years.

## **Notes for completion**

1. The “authority” means the contracting authority, or anyone acting on behalf of the contracting authority, that is seeking to invite suitable candidates to participate in this procurement process.
2. “You” / “Your” refers to the potential supplier completing this standard Selection Questionnaire i.e. the legal entity responsible for the information provided. The term “potential supplier” is intended to cover any economic operator as defined by the Public Contracts Regulations 2015 (referred to as the “regulations”) and could be a registered company; the lead contact for a group of economic operators; charitable organisation; Voluntary Community and Social Enterprise (VCSE); Special Purpose Vehicle; or other form of entity.
3. Please ensure that all questions are completed in full, and in the format requested. If the question does not apply to you, please state ‘N/A’. Should you need to provide additional information in response to the questions, please submit a clearly identified annex.
4. The authority recognises that arrangements set out in section 1.2 of the standard Selection Questionnaire, in relation to a group of economic operators (for example, a consortium) and/or use of subcontractors, may be subject to change and will, therefore, not be finalised until a later date. The lead contact should notify the authority immediately of any change in the proposed arrangements and ensure a completed part 1 and part 2 is submitted for any new organisation relied on to meet the selection criteria. The authority will make a revised assessment of the submission based on the updated information.
5. For part 1 and part 2 every member of your bidding group/consortium, and any subcontractor that is being relied on to meet the selection criteria, must complete and submit the self-declaration.
6. For the mandatory exclusion grounds only (Q2.1(a)), you must complete the declaration for all relevant persons and entities. There are two categories of persons and entities:
7. members of your administrative, management or supervisory board; secondly, entities and persons who have powers of representation, decision or control. You must decide, depending on the nature and structure of the entity or person who is bidding, which entities and persons this applies to in your particular circumstances. Clearly, members of your administrative, management or supervisory board should be easily identifiable and will cover company directors (or equivalent for other types of corporate entities) and members of an executive board.
8. the second category of those with powers of representation, decision or control, is likely to be more complicated. As an illustration, entities or persons with 25% or more shareholding (or equivalent for other types of corporate entities) are likely to have powers or representation, decision or control, although those with a lower shareholding may still have the relevant powers depending on their particular rights. Similarly, your ultimate parent company (or equivalent for other types of corporate entities) is likely to have powers of representation, decision or control. Depending on your particular structure, intermediate parent companies who do not have a direct shareholding, directors or members of an executive board of your immediate parent company (for example in the case of an SPV set up specifically to bid for a particular contract), and holders of mortgages or liens may be covered. It isn’t necessary to identify which entities and persons you think are covered but you must be satisfied that your declaration is made in respect of all of those that are covered.
9. *For answers to part 3 – If you are bidding on behalf of a group, for example, a consortium, or you intend to use subcontractors, you should complete all of the questions on behalf of the consortium and/ or any subcontractors, providing one composite response and declaration.*

10. The authority confirms that it will keep confidential and will not disclose to any third parties any information obtained from a named customer contact, other than to the Cabinet Office and/or contracting authorities defined by the regulations, or pursuant to an order of the court or demand made by any competent authority or body where the authority is under a legal or regulatory obligation to make such a disclosure.
11. The Public Procurement Review Service allows government suppliers and potential government suppliers to raise concerns anonymously about unfair public sector procurement practice. The government can then investigate and resolve these concerns for contracting authorities as listed in [Schedule 1](#) of the Public Contracts Regulations 2015. To use the Public Procurement Review Service, [read the terms](#) and email [publicprocurementreview@cabinetoffice.gov.uk](mailto:publicprocurementreview@cabinetoffice.gov.uk) or phone 0345 010 3503.

<b>Part 1: Your information and the bidding model.</b>
You must answer all questions in parts 1 and 2. If you are the supplier, you must answer all questions in part 3 as well. <b>[Contracting Authorities to change this instruction if all members of the group or required to submit a completed part 3]</b>
Bidders must ensure that every organisation on which they will rely to meet the selection criteria completes and submits their own answers and declaration for part 1 and 2.
