Any areas of discrepancy between submissions and information gained from the presentations will be reviewed and scores previously awarded will be amended if necessary.
- 6.2** If the Council suspects that there has been an error in the pricing of a Tender, the Council reserves the right to seek such clarification, as it considers necessary from the Tenderer in question.

Further to its obligations regarding transparency of expenditure, the Council may be required to publish information regarding tenders, contracts and expenditure to the general public, which could include the text of any such documentation, except for any information which is exempt from disclosure in accordance with the provisions of the Freedom of Information Act to be determined at the absolute discretion of the Council.

10.0 Freedom of Information

- 10.1** Please note that from 1 January 2005 under the provisions of the Freedom of Information Act 2000, the public (included in this are private companies, journalists, etc.) have a general right of access to information held by public authorities. One of the consequences of those new statutory responsibilities is that information about your organisation, which Shropshire Council may receive from you during this tendering process may be subject to disclosure, in response to a request, unless one of the various statutory exemptions applies.
- 10.2** In certain circumstances, and in accordance with the Code of Practice issued under section 45 of the Act, Shropshire Council may consider it appropriate to ask you for your views as to the release of any information before we make a decision as to how to respond to a request. In dealing with requests for information under the Act, Shropshire Council has to comply with a strict timetable and it would therefore expect a timely response to any such consultation within five working days.
- 10.3** If, at any stage of this tendering process, you provide any information to Shropshire Council in the expectation that it will be held in confidence, then you must make it

clear in your documentation as to the information to which you consider a duty of confidentiality applies. The use of blanket protective markings such as “commercial in confidence” will no longer be appropriate and a clear indication as to what material is to be considered confidential and why should be given.

- 10.4** Shropshire Council will not be able to accept that trivial information or information which by its very nature cannot be regarded as confidential should be subject to any obligation of confidence.
- 10.5** In certain circumstances where information has not been provided in confidence, Shropshire Council may still wish to consult with you as to the application of any other exemption such as that relating to disclosure that will prejudice the commercial interests of any party. However the decision as to what information will be disclosed will be reserved to Shropshire Council.

For guidance on this issue see: <http://www.ico.gov.uk>

11.0 Disqualification

- 11.1** The Council reserves the right to reject or disqualify a Tenderer's Tender submission where:
- 11.1.1** The tenderer fails to comply fully with the requirements of this Invitation to tender or is in breach of clause 15 of the Council's General Terms and Conditions relating to Bribery and Corruption or is guilty of a serious or intentional or reckless misrepresentation in supplying any information required; or
- 11.1.2** The tenderer is guilty of serious or intentional or reckless misrepresentation in relation to its tender return and/or the procurement process.
- 11.1.3** The tenderer directly or indirectly canvasses any member, official or agent of the Council concerning the award of the contract or who directly or indirectly obtains or attempts to obtain information from any such person concerning any other Tender or proposed Tender for the services. The Canvassing Certificate must be completed and returned as instructed.
- 11.1.4** The Tenderer :
- a) Fixes or adjusts the amount of his Tender by or in accordance with any agreement or arrangements with any other person; or
 - b) Communicates to any person other than the Council the amount or approximate amount of his proposed Tender (except where such disclosure is made in confidence in order to obtain quotations necessary for preparation of the Tender for insurance purposes); or
 - c) Enters into an agreement or arrangement with any other person that he shall refrain from tendering or as to the amount of any Tender to be submitted; or
 - d) Offers or agrees to pay or give or does pay or gives any sum of money, inducement or valuable consideration directly or indirectly to any person for doing or having done or causing or having caused to be done in relation to

any Tender or proposed Tender for the services any act or omission.

11.2 Any disqualification will be without prejudice to any other civil remedies available to the Council and without prejudice to any criminal liability which such conduct by a Tenderer may attract. The Non-Collusive Tendering Certificate must be completed and returned as instructed.

11.3 The Council reserves the right to disqualify an Applicant from further participating in this procurement process where there is a change in the control or financial stability of the Tenderer at any point in the process up to award of a contract and such change of control or financial stability has a materially adverse effect on the Tenderer's financial viability or ability to otherwise meet the requirements of the procurement process.

12.0 E-Procurement

As part of its procurement strategy Shropshire Council is committed to the use of technology that can improve the efficiency of procurement. Successful Tenderers may be required to send or receive documents electronically. This may include purchase orders, acknowledgements, invoices, payment advices, or other procurement documentation. These will normally be in the Council's standard formats, but may be varied under some circumstances so as not to disadvantage small and medium suppliers.

13.0 Award of Contract

13.1 Award Criteria

The Award Criteria has been set out within the Tender Response Document accompanying this invitation to tender. The Council is not bound to accept the lowest or any Tender.

13.2 Award Notice

The Council will publish the name and addresses of the successful Tenderers in the Official Journal of the European Union (OJEU) where appropriate. The Contracting Authority reserves the right to pass all information regarding the outcome of the Tendering process to the Office of Fair Trading to assist in the discharge of its duties. Additionally, the Council will adhere to the requirements of the Freedom of Information Act 2000 and Tenderers should note this statutory obligation.

13.3 Transparency of Expenditure

Further to its obligations regarding transparency of expenditure, the Council may also be required to publish information regarding tenders, contracts and expenditure to the general public, which could include the text of any such documentation, except for any information which is exempt from disclosure in accordance with the provisions of the Freedom of Information Act to be determined at the absolute discretion of the Council.

14.0 Value of Contract

Shropshire Council cannot give any guarantee in relation to the value of this contract

15.0 Acceptance

15.1 Tenders must be submitted strictly in accordance with the terms of the Council's Invitation to Tender documentation and acceptance of the tender shall be conditional on compliance with this Tender Condition.

15.2 The Tender documentation including, the General and Special Terms and Conditions of Contract, the Tender Response document, these Instructions to Tender, together with the formal written acceptance by the Council will form a binding agreement between the Contractor and the Council.

15.3 The Tenderer shall be prepared to commence the provision of the supply and services on the start date of the contract being **1st January 2016**.

16.0 Payment Terms

Tenderers should particularly note that the principles governing public procurement require that, as far as is reasonably possible, payments for Goods, Works or Services are made after the provision. Therefore any indication of a pricing strategy within a Tender which provides for substantial payments at the outset of the Contract will be examined carefully to decide whether or not a Tender in such form can be accepted. If in the opinion of the Council such substantial payments appear excessive in relation to the requirements of the Contract the Council reserves, without prejudice to any other right to reject any Tender it may have, the right to require the Tenderer to spread such proportion of the costs as are considered excessive over the duration of the Contract.

17.0 Liability of Council

17.1 The Council does not bind himself to accept the lowest or any tender.

17.2 The Council does not accept any responsibility for any pre-tender representations made by or on its behalf or for any other assumptions that Tenderers may have drawn or will draw from any pre-tender discussions.

17.3 The Council shall not be liable to pay for any preparatory work or other work undertaken by the Tenderer for the purposes of, in connection with or incidental to this Invitation to Tender, or submission of its Tender response or any other communication between the Council and any other party as a consequence of the issue of this Invitation to Tender.

17.4 The Council shall not be liable for any costs or expenses incurred by any Tenderer in connection with the preparation of a Tender return for this procurement exercise, its participation in this procurement whether this procurement is completed, abandoned or suspended.

17.5 Whilst the Tender Documents have been prepared in good faith, they do not purport to be comprehensive nor to have been formally verified. Neither the

Response identifies factors that demonstrate added value, with evidence to support the response.</i>

Price Evaluation and scoring

The most competitively priced tender will receive the maximum mark for price being **433 Less competitive tenders** will receive a % of the maximum mark that represents the difference in cost between that tender and the most competitively priced tender.

Price will be evaluated by using the 'Total Price for basket of Goods' tendered in Appendix A Pricing Schedule & Product List

Please note that you must provide prices for all products listed. If prices aren't included we will insert the average price for the purposes of evaluation.

Provided that it has been carried out in a transparent manner, routine pre-market engagement carried out by the Authority should not represent a conflict of interest for the Supplier.

Taking Account of Bidders' Past Performance

In accordance with question (g), the authority may assess the past performance of a Supplier (through a Certificate of Performance provided by a Customer or other means of evidence). The authority may take into account any failure to discharge obligations under the previous principal relevant contracts of the Supplier completing this PQQ. The Authority may also assess whether specified minimum standards for reliability for such contracts are met.

In addition, the authority may re-assess reliability based on past performance at key stages in the procurement process (i.e. supplier selection, tender evaluation, contract award stage etc.). Suppliers may also be asked to update the evidence they provide in this section to reflect more recent performance on new or existing contracts (or to confirm that nothing has changed).

'Self-cleaning'

Any Supplier that answers 'Yes' to questions 2.1, 2.2 and 3.1 should provide sufficient evidence, in a separate Appendix, that provides a summary of the circumstances and any remedial action that has taken place subsequently and effectively "self cleans" the situation referred to in that question. The supplier has to demonstrate it has taken such remedial action, to the satisfaction of the authority in each case.

If such evidence is considered by the authority (whose decision will be final) as sufficient, the economic operator concerned shall be allowed to continue in the procurement process.

In order for the evidence referred to above to be sufficient, the Supplier shall, as a minimum, prove that it has;

- paid or undertaken to pay compensation in respect of any damage caused by the criminal offence or misconduct;

- clarified the facts and circumstances in a comprehensive manner by actively collaborating with the investigating authorities; and
- taken concrete technical, organisational and personnel measures that are appropriate to prevent further criminal offences or misconduct.

The measures taken by the Supplier shall be evaluated taking into account the gravity and particular circumstances of the criminal offence or misconduct. Where the measures are considered by the Authority to be insufficient, the Supplier shall be given a statement of the reasons for that decision.

4. Grounds for discretionary exclusion - Part 2

The authority reserves the right to use its discretion to exclude a supplier where it can demonstrate the supplier's non-payment of taxes/social security contributions where no binding legal decision has been taken.

Please note that Section 4 relating to tax compliance only applies where the Authority has indicated that the contract is over £5million in value, and the Authority is a Central Government Department (including their Executive Agencies and Non-Departmental Public Bodies).

"Occasion of Tax Non-Compliance" means:

- (a) any tax return of the Supplier submitted to a Relevant Tax Authority on or after 1 October 2012 is found to be incorrect as a result of:
 1. a Relevant Tax Authority successfully challenging the Supplier under the General Anti-Abuse Rule or the Halifax Abuse Principle or under any tax rules or legislation that have an effect equivalent or similar to the General Anti-Abuse Rule or the Halifax Abuse Principle;
 2. the failure of an avoidance scheme which the Supplier was involved in, and which was, or should have been, notified to a Relevant Tax Authority under the DOTAS or any equivalent or similar regime; and/or
- (b) the Supplier's tax affairs give rise on or after 1 April 2013 to a criminal conviction in any jurisdiction for tax related offences which is not spent at the Effective Date or to a penalty for civil fraud or evasion

From 1 April 2013 onwards, have any of your company's tax returns submitted on or after 1 October 2012; (Please indicate your answer by marking 'X' in the relevant box).
