## Shropshire Council Instructions for tendering

### **DESCRIPTION OF WORK**

- The main area of work to be undertaken will involve the moving of office furniture and equipment between offices or buildings solely within the confines of Shropshire Council's administrative area. This can vary from small internal office moves to larger whole de-campment of properties. This will include the assessment of the amount of operatives required, the number of crates required, and the approximate length of time it will take to carry out the task. This will be agreed with Shropshire Council's Supervising Officer.
- The contractor will be required to provide adequate supervision to manage moves independently once brief instructions have been given by Shropshire Council's Supervising Officer.
- The Contractor will be required to man handle deliveries of furniture from a Shropshire Council supplier – which will entail taking it from the point of delivery, moving it into the office location, removing all protective packaging and setting it up as per a furniture layout plan. It will also include the removal from site of any packaging that the furniture came in and disposing of it appropriately.
- The Contractor will also be required to set up furniture in offices from a furniture layout plan, which will include adjusting the height of desks to ensure they are level, measuring the space between desks to correlate with the plan, attach screens to desks and bolt furniture together if required. The Contractor may also be expected to dismantle and reassemble furniture should they not be able to go through doorways into the designated offices.
- The work will also consist of moving office furniture into various empty Council buildings that are being utilised as temporary equipment stores, and could also entail taking broken and old surplus equipment to the local waste refuse and recycling centre.
- If any furniture is required to be taken to a refuse or recycling centre, then all drawers MUST be checked to ensure that they are empty, and particular attention must be paid to cupboards or filing cabinets to ensure that no paperwork or confidential files are left inside. If any files or paperwork is found then it must be brought to the attention of the Shropshire Council Supervising Officer immediately. If any drawers or cupboards are locked, then they must be brought to the attention of the Shropshire Council's Supervising Officer immediately.
- If any metal is taken to a scrap metal centre, then any credit attained must be given to the Council on the corresponding invoice for that particular item of work
- The Contractor will also be expected to remove whiteboards or pin boards from walls, but the re-erection will be carried out by others.

### **TENDER PERIOD**

- The rate for the crates will be a weekly hire charge per crate and this must be invoiced per job. No separate invoice solely for the hire of crates will be accepted.
- You will be expected to keep a record of all crates used on each job, and the onus is on yourselves to chase the client for the return of the crates. If you experience difficulties then you are to contact the Shropshire Council's Supervising Officer that requested you to carry out the work

Any Tender variant proposed must clearly state how it varies from the requirements of the Compliant Tender Documents, and be explicit in demonstrating the benefits that will accrue to the Council from adopting this approach. Tenderers will be required to identify which submission, in their view, demonstrates best value to the Council.

If a Tenderer wishes the Council to treat a question as confidential this must be expressly stated. The Council will consider such requests and will seek to act fairly between the Tenderers, whilst meeting its public law and procurement duties in making its decision.

**7.6** Except as directed in writing by the Authorised Officer, and confirmed in writing to a Tenderer, no agent or officer or elected Member (Councillor) of the Council has any express or implied authority to make any representation or give any explanation to Tenderers as to the meaning of any of the Tender Documents, or as to anything to be done or not to be done by a Tenderer or to give any warranties additional to those (if any) contained in the ITT or as to any other matter or thing so as to bind the Council in any way howsoever.

## **8.0 Continuation of the Procurement Process**

**8.1** The Council shall not be committed to any course of action as a result of:

- i) issuing this Invitation to Tender;
- ii) communicating with a Tenderer, a Tenderer's representative or agent in respect of this procurement exercise;

**8.2** The Council reserves the right at its absolute discretion to amend, add to or withdraw all, or any part of this Invitation to Tender at any time during the tendering stage of this procurement exercise.

**8.3** At any time before the deadline for receipt of tender returns the Council may modify the Invitation to Tender by amendment. Any such amendment shall be numbered and dated and issued by the Council to all participating tenderers. In order to give prospective Tenderers reasonable time in which to take the amendment into account in preparing its Tender return, the Council may in its sole discretion, extend the deadline for submission of the tender returns. The Council reserves the right to amend, withdraw, terminate or suspend all or any part of this procurement process at any time at its sole discretion.

## **9.0 Confidentiality**

**9.1** All information supplied by the Council in connection with or in these Tender Documents shall be regarded as confidential to the Council unless the information is already within the public domain or subject to the provisions of the Freedom of Information Act 2000.

**9.2** The Contract documents and publications are and shall remain the property of the Council and must be returned upon demand.

**9.3** Tenderers shall ensure that each and every sub-contractor, consortium member

and/or professional advisor to whom it discloses these papers complies with the terms and conditions of this ITT.

**9.4** The contents of this Invitation to Tender are being made available by the Council on condition that:

**9.4.1** Tenderers shall at all times treat the contents of the Invitation to tender and any related documents as confidential, save in so far as they are already in the public domain and Tenderers shall not, subject to the provisions relating to professional advisors, sub-contractors or other persons detailed below, disclose, copy, reproduce, distribute or pass any of the contents of the Invitation to tender to any other person at any time or allow any of these things to happen;

**9.4.2** Tenderers shall not use any of the information contained in this Invitation to tender for any purpose other than for the purposes of submitting (or deciding whether to submit) the tender; and

**9.4.3** Tenderers shall not undertake any publicity activity within any section of the media.

**9.5** Tenderers may disclose, distribute or pass this Invitation to tender to their professional advisors, sub-contractors or to another person provided that:

**9.5.1** this is done for the sole purpose of enabling an Invitation to tender to be submitted and the person receiving the Information undertakes in writing to keep the Invitation to Tender confidential on the same terms as if that person were the Tenderer; or

**9.5.2** the Tenderer obtains the prior written consent of the Council in relation to such disclosure, distribution or passing of the Invitation to Tender; or

**9.5.3** the disclosure is made for the sole purpose of obtaining legal advice from external lawyers in relation to the procurement or to any Contract(s) which may arise from it; or

**9.5.4** the Tenderer is legally required to make such a disclosure.

**9.6** The Council may disclose detailed information relating to the Invitation to Tender to its officers, employees, agents, professional advisors or Governmental organisations and the Council may make any of the Contracts and procurement documents available for private inspection by its officers, employees, agents, professional advisors, contracting authorities or Governmental organisations.

## **9.7 Transparency of Expenditure**

Further to its obligations regarding transparency of expenditure, the Council may be required to publish information regarding tenders, contracts and expenditure to the general public, which could include the text of any such documentation, except for any information which is exempt from disclosure in accordance with the provisions of the Freedom of Information Act to be determined at the absolute discretion of the Council.

## **10.0 Freedom of Information**

**10.1** Please note that from 1 January 2005 under the provisions of the Freedom of Information Act 2000, the public (included in this are private companies, journalists,

etc.) have a general right of access to information held by public authorities. One of the consequences of those new statutory responsibilities is that information about your organisation, which Shropshire Council may receive from you during this tendering process may be subject to disclosure, in response to a request, unless one of the various statutory exemptions applies.

- 10.2** In certain circumstances, and in accordance with the Code of Practice issued under section 45 of the Act, Shropshire Council may consider it appropriate to ask you for your views as to the release of any information before we make a decision as to how to respond to a request. In dealing with requests for information under the Act, Shropshire Council has to comply with a strict timetable and it would therefore expect a timely response to any such consultation within five working days.
- 10.3** If, at any stage of this tendering process, you provide any information to Shropshire Council in the expectation that it will be held in confidence, then you must make it clear in your documentation as to the information to which you consider a duty of confidentiality applies. The use of blanket protective markings such as “commercial in confidence” will no longer be appropriate and a clear indication as to what material is to be considered confidential and why should be given.
- 10.4** Shropshire Council will not be able to accept that trivial information or information which by its very nature cannot be regarded as confidential should be subject to any obligation of confidence.
- 10.5** In certain circumstances where information has not been provided in confidence, Shropshire Council may still wish to consult with you as to the application of any other exemption such as that relating to disclosure that will prejudice the commercial interests of any party. However the decision as to what information will be disclosed will be reserved to Shropshire Council.

For guidance on this issue see: <http://www.ico.gov.uk>

## **11.0 Disqualification**

- 11.1** The Council reserves the right to reject or disqualify a Tenderer's Tender submission where:
- 11.1.1** The tenderer fails to comply fully with the requirements of this Invitation to tender or is in breach of clause 15 of the Council's General Terms and Conditions relating to Bribery and Corruption or is guilty of a serious or intentional or reckless misrepresentation in supplying any information required; or
- 11.1.2** The tenderer is guilty of serious or intentional or reckless misrepresentation in relation to its tender return and/or the procurement process.
- 11.1.3** The tenderer directly or indirectly canvasses any member, official or agent of the Council concerning the award of the contract or who directly or indirectly obtains or attempts to obtain information from any such person concerning any other Tender or proposed Tender for the services. The Canvassing Certificate must be completed and returned as instructed.
- 11.1.4** The Tenderer :

- a) Fixes or adjusts the amount of his Tender by or in accordance with any agreement or arrangements with any other person; or
- b) Communicates to any person other than the Council the amount or approximate amount of his proposed Tender (except where such disclosure is made in confidence in order to obtain quotations necessary for preparation of the Tender for insurance purposes); or
- c) Enters into an agreement or arrangement with any other person that he shall refrain from tendering or as to the amount of any Tender to be submitted; or
- d) Offers or agrees to pay or give or does pay or gives any sum of money, inducement or valuable consideration directly or indirectly to any person for doing or having done or causing or having caused to be done in relation to any Tender or proposed Tender for the services any act or omission.

**11.2** Any disqualification will be without prejudice to any other civil remedies available to the Council and without prejudice to any criminal liability which such conduct by a Tenderer may attract. The Non-Collusive Tendering Certificate must be completed and returned as instructed.

**11.3** The Council reserves the right to disqualify an Applicant from further participating in this procurement process where there is a change in the control or financial stability of the Tenderer at any point in the process up to award of a contract and such change of control or financial stability has a materially adverse effect on the Tenderer's financial viability or ability to otherwise meet the requirements of the procurement process.

## **12.0 E-Procurement**

As part of its procurement strategy Shropshire Council is committed to the use of technology that can improve the efficiency of procurement. Successful Tenderers may be required to send or receive documents electronically. This may include purchase orders, acknowledgements, invoices, payment advices, or other procurement documentation. These will normally be in the Council's standard formats, but may be varied under some circumstances so as not to disadvantage small and medium suppliers.

## **13.0 Award of Contract**

### **13.1 Award Criteria**

The Award Criteria has been set out within the Tender Response Document accompanying this invitation to tender. The Council is not bound to accept the lowest or any Tender.

### **13.2 Award Notice**

The Council will publish the name and addresses of the successful Tenderers in the Official Journal of the European Union (OJEU) where appropriate. The Contracting Authority reserves the right to pass all information regarding the outcome of the Tendering process to the Office of Fair Trading to assist in the discharge of its duties. Additionally, the Council will adhere to the requirements of the Freedom of Information Act 2000 and Tenderers should note this statutory

obligation.

### **13.3 Transparency of Expenditure**

Further to its obligations regarding transparency of expenditure, the Council may also be required to publish information regarding tenders, contracts and expenditure to the general public, which could include the text of any such documentation, except for any information which is exempt from disclosure in accordance with the provisions of the Freedom of Information Act to be determined at the absolute discretion of the Council.

### **14.0 Value of Contract**

Shropshire Council cannot give any guarantee in relation to the value of this contract.

**15.1** Tenders must be submitted strictly in accordance with the terms of the Council's Invitation to Tender documentation and acceptance of the tender shall be conditional on compliance with this Tender Condition.

**15.2** The Tender documentation including, the General and Special Terms and Conditions of Contract, the Tender Response document, these Instructions to Tender, together with the formal written acceptance by the Council will form a binding agreement between the Contractor and the Council.

**15.3** The Tenderer shall be prepared to commence the provision of the supply and services on the start date of the contract arrangement being 1<sup>st</sup> December 2015 .

### **16.0 Payment Terms**

**Tenderers should particularly note** that the principles governing public procurement require that, as far as is reasonably possible, payments for Goods, Works or Services are made after the provision. Therefore any indication of a pricing strategy within a Tender which provides for substantial payments at the outset of the Contract will be examined carefully to decide whether or not a Tender in such form can be accepted. If in the opinion of the Council such substantial payments appear excessive in relation to the requirements of the Contract the Council reserves, without prejudice to any other right to reject any Tender it may have, the right to require the Tenderer to spread such proportion of the costs as are considered excessive over the duration of the Contract.

### **17.0 Liability of Council**

**17.1** The Council does not bind himself to accept the lowest or any tender.

**17.2** The Council does not accept any responsibility for any pre-tender representations made by or on its behalf or for any other assumptions that Tenderers may have drawn or will draw from any pre-tender discussions.

**17.3** The Council shall not be liable to pay for any preparatory work or other work undertaken by the Tenderer for the purposes of, in connection with or incidental to this Invitation to Tender, or submission of its Tender response or any other communication between the Council and any other party as a consequence of the

issue of this Invitation to Tender.

**17.4** The Council shall not be liable for any costs or expenses incurred by any Tenderer in connection with the preparation of a Tender return for this procurement exercise, its participation in this procurement whether this procurement is completed, abandoned or suspended.

**17.5** Whilst the Tender Documents have been prepared in good faith, they do not purport to be comprehensive nor to have been formally verified. Neither the Council nor any of its staff, agents, elected Members, or advisers accepts any liability or responsibility for the adequacy, accuracy or completeness of any information given, nor do they make any representation or given any warranty, express or implied, with respect to the Tender Documents or any matter on which either of these is based (including, without limitation, any financial details contained within the Specification and Contract Documentation). Any liability is hereby expressly disclaimed save in the event of fraud, or in the event of specific warranties provided within the Contract Documentation.

**18.0** The Contractor agrees that where requested in writing during the term of any Agreement for the supply Goods Works or Services it will ensure that an appropriately authorised representative of the Contractor shall attend a Committee meeting of the Council upon being invited to do so by the Council

**19.0 Declaration**

# Shropshire Council Tender Response Document

## **DESCRIPTION OF WORK**

- The main area of work to be undertaken will involve the moving of office furniture and equipment between offices or buildings solely within the confines of Shropshire Council's administrative area. This can vary from small internal office moves to larger whole de-campment of properties. This will include the assessment of the amount of operatives required, the number of crates required, and the approximate length of time it will take to carry out the task. This will be agreed with Shropshire Council's Supervising Officer.
- The contractor will be required to provide adequate supervision to manage moves independently once brief instructions have been given by Shropshire Council's Supervising Officer.
- The Contractor will be required to man handle deliveries of furniture from a Shropshire Council supplier – which will entail taking it from the point of delivery, moving it into the office location, removing all protective packaging and setting it up as per a furniture layout plan. It will also include the removal from site of any packaging that the furniture came in and disposing of it appropriately.
- The Contractor will also be required to set up furniture in offices from a furniture layout plan, which will include adjusting the height of desks to ensure they are level, measuring the space between desks to correlate with the plan, attach screens to desks and bolt furniture together if required. The Contractor may also be expected to dismantle and reassemble furniture should they not be able to go through doorways into the designated offices.
- The work will also consist of moving office furniture into various empty Council buildings that are being utilised as temporary equipment stores, and could also entail taking broken and old surplus equipment to the local waste refuse and recycling centre.
- If any furniture is required to be taken to a refuse or recycling centre, then all drawers MUST be checked to ensure that they are empty, and particular attention must be paid to cupboards or filing cabinets to ensure that no paperwork or confidential files are left inside. If any files or paperwork is found then it must be brought to the attention of the Shropshire Council Supervising Officer immediately. If any drawers or cupboards are locked, then they must be brought to the attention of the Shropshire Council's Supervising Officer immediately.
- If any metal is taken to a scrap metal centre, then any credit attained must be given to the Council on the corresponding invoice for that particular item of work
- The Contractor will also be expected to remove whiteboards or pin boards from walls, but the re-erection will be carried out by others.

### **TENDER PERIOD**

- The tender is for a 2 year period commencing with an anticipated start date of 1<sup>st</sup> December 2015.

### **LABOUR RATES**

- The labour rate will be an hourly rate for one operative for each of the range of operatives on the tender form. The operatives are as follows –  
  
Foreman  
Driver  
General Operative (Porter)
- The hourly labour rate for the Driver must include for ALL mileage costs when using a vehicle of less than 3.5 tonnes.
- The hourly labour rate for the Foreman and General Operative are to be exclusive of any mileage related costs.
- An extra over hourly rate has been requested for when a vehicle of over 3.5 tonnes is requested or needed to carry out office removals. This cost should be entered on the tender form and is to take due regard of the mileage costs already included within the Driver labour rate above.
- Work will normally be confined within the Shropshire Council administrative area, and if we request that you have to travel outside this area, then we will negotiate an appropriate cost.

### **LABOUR**

- You must have the necessary resources to cater for not only small office moves but for large building moves which can require up to 14 operatives. You must provide proof that you can accommodate this request.
- All operatives must be appropriately presented, dressed in a suitable way and respectful to office occupants at all times.

### **VEHICLES**

- You must provide a schedule of how many vehicles you have to carry out this work, as quite often more than vehicle is required and you must have the provision to supply up to 4 vehicles should the need arise.

### **EXPERIENCE**

- All operatives must be fully experienced within the removal trade, and evidence of this can be requested at any time.

### **START TIMES**

- You will be requested to be on site at specific times to suit the nature of the move, and you are expected to adhere to this. The normal start time on site will be 8.30 am prompt.

### **NOTIFICATION OF WORK**

- We will normally provide you with approximately one week's notice of removals, but you must be prepared to react to urgent requests which may be at 24 hours' notice. We will normally notify you initially by telephone, which will be followed up by an e-mail confirmation, and eventually an official order for each job.

### **INVOICING**

- Hours are to be charged for the exact time on site. Charging on the basis of half or full days will NOT be permitted.
- The hours charged for must be shown in detail on the invoice together with the appropriate tendered rate. You must also show any credits for any scrap metal reclaimed and also and costs associated with taking surplus or broken furniture to the refuse and recycling centre.

### **OPERATORS LICENCE**

- A fully up to date Standard Operator's licence (national), to carry goods must be held and produced prior to any award to the successful tenderer.

### **CRATES**

- The successful contractor must have sufficient crates to carry out each move as no collection or delivery charge will be entertained from a third party. The successful contractor will be able to charge for the delivery and collection of crates should this not be part of the daily work. The charge will be based on your hourly tendered rate for the Driver only.
- The rate for the crates will be a weekly hire charge per crate and this must be invoiced per job. No separate invoice solely for the hire of crates will be accepted.
- You will be expected to keep a record of all crates used on each job, and the onus is on yourselves to chase the client for the return of the crates. If you experience difficulties then you are to contact the Shropshire Council's Supervising Officer that requested you to carry out the work

### **GENERAL CONDITIONS**

- No mobile phones will be permitted to be used whilst on site except for work related issues or an emergency. This MUST be strictly adhered to. Should operatives persistently use mobile phones on site then they will be asked to leave site and a replacement operative will be expected to be found.
- Appropriate Health and Safety personal protective equipment must be supplied and maintained by the contractor for use by their operatives and available at all times.
- You will be expected to provide all equipment that is suitable for each move – such as trolleys, trucks, skates etc.
- You will be expected to comply with Shropshire Council's non-smoking policy – a copy of which is available on application.

### **DAMAGE TO COUNCIL PREMISES OR PERSONAL PROPERTY**

- The contractor will be entirely responsible for the avoidance of any damage to Council premises, Council property or Council staff personal property during the execution of works under this contract. Where such damage does occur, the contractor will be entirely responsible for all costs associated with remediation.

### **WELFARE**

- The contractor will be entirely responsible for the provision of all required welfare arrangements for their staff. However Shropshire Council will seek to allow the use of appropriate welfare facilities at establishments concerned, wherever and whenever possible.

The above General Conditions are implicit on the contractor and it is solely his responsibility to administer these and ensure compliance by his work force.

### **Quality Questions/ Scoring Scheme**

Questions within the quality sections shown above will be scored using the following scoring scheme. Each answer from the questions identified below will be given a mark between 0 and 10 with the following meanings:

Assessment	Mark	Interpretation
<b>Excellent</b>	<b>10</b>	<i>Exceeds the requirement. Exceptional demonstration by the Tenderer of how they will meet this requirement by their allocation of skills and understanding, resources and quality measures. Response identifies factors that demonstrate added value, with evidence to support the response.</i>
	<b>9</b>	
<b>Good</b>	<b>8</b>	<i>Satisfies the requirement with minor additional benefits Above average demonstration by the Tenderer of how they will meet this requirement by their allocation of skills and understanding, resources and quality measures. Response identifies factors that demonstrate added value, with evidence to support the response.</i>
	<b>7</b>	
<b>Acceptable</b>	<b>6</b>	<i>Satisfies the requirement. Demonstration by the Tenderer of how they will meet this requirement by their allocation of skills and understanding, resources and quality measures, with evidence to support the response.</i>
	<b>5</b>	

<b>Minor Reservations</b>	<b>4</b>	<i>Satisfies the requirement with minor reservations Some minor reservations regarding how the Tenderer will meet this requirement by their allocation of skills and understanding, resources and quality measures, with limited evidence to support the response.</i>
	<b>3</b>	
<b>Serious Reservations</b>	<b>2</b>	<i>Satisfies the requirement with major reservations. Considerable reservations regarding how the Tenderer will meet this requirement by their allocation of skills and understanding, resources and quality measures, with little or no evidence to support the response.</i>

<b>Unacceptable</b>	<b>0</b>	<i>Does not meet the requirement Does not comply and/or insufficient information provided to demonstrate how the Tenderer will meet this requirement by their allocation of skills and understanding, resources and quality measures, with little or no evidence to support the response.</i>

The use of odd numbers indicates an answer's allocated mark lies between definitions.

**The tender receiving the highest mark for Quality Criteria overall will receive the full 600 marks available for Quality. Other tenders will receive a % mark that reflects the difference in the marks between those tenders and the tender receiving the highest mark for Quality overall.**

### **Price Evaluation and scoring**

We will evaluate on the items listed in the pricing schedule (Section F). **The price that will be evaluated will be the total cost of the two baskets of goods as shown in cell B65 on the 'Basket of Goods' worksheet.**

**The most competitively priced tender will receive the maximum mark of 400. Less competitive tenders will receive a % of the maximum mark available that represents the difference in cost or reduction between that tender and the most competitively priced tender.**

The authority may exclude any Supplier who answers 'Yes' in any of the following situations set out in paragraphs (a) to (i);

3.1 Within the past three years, please indicate if any of the following situations have applied, or currently apply, to your organisation.	Please indicate your answer by marking 'X' in the relevant box.	
	Yes	No
(a) your organisation has violated applicable obligations referred to in regulation 56 (2) of the Public Contract Regulations 2015 in the fields of environmental, social and labour law established by EU law, national law, collective agreements or by the international environmental, social and labour law provisions listed in Annex X to the Public Contracts Directive as amended from time to time;		X

### **Conflicts of interest**

In accordance with question 3.1 (e), the authority may exclude the Supplier if there is a conflict of interest which cannot be effectively remedied. The concept of a conflict of interest includes any situation where relevant staff members have, directly or indirectly, a financial, economic or other personal interest which might be perceived to compromise their impartiality and independence in the context of the procurement procedure.

Where there is any indication that a conflict of interest exists or may arise then it is the responsibility of the Supplier to inform the authority, detailing the conflict in a separate Appendix. Provided that it has been carried out in a transparent manner, routine pre-market engagement carried out by the Authority should not represent a conflict of interest for the Supplier.

### **Taking Account of Bidders' Past Performance**

In accordance with question (g), the authority may assess the past performance of a Supplier (through a Certificate of Performance provided by a Customer or other means of evidence). The authority may take into account any failure to discharge obligations under the previous principal relevant contracts of the Supplier completing this PQQ. The Authority may also assess whether specified minimum standards for reliability for such contracts are met.

In addition, the authority may re-assess reliability based on past performance at key stages in the procurement process (i.e. supplier selection, tender evaluation, contract award stage etc.). Suppliers may also be asked to update the evidence they provide in this section to reflect more recent performance on new or existing contracts (or to confirm that nothing has changed).

### **'Self-cleaning'**

Any Supplier that answers 'Yes' to questions 2.1, 2.2 and 3.1 should provide sufficient evidence, in a separate Appendix, that provides a summary of the circumstances and any remedial action that has taken place subsequently and effectively "self cleans" the situation referred to in that question. The supplier has to demonstrate it has taken such remedial action, to the satisfaction of the authority in each case.

If such evidence is considered by the authority (whose decision will be final) as sufficient, the economic operator concerned shall be allowed to continue in the procurement process.

In order for the evidence referred to above to be sufficient, the Supplier shall, as a minimum, prove that it has;

- paid or undertaken to pay compensation in respect of any damage caused by the criminal offence or misconduct;

- clarified the facts and circumstances in a comprehensive manner by actively collaborating with the investigating authorities; and
- taken concrete technical, organisational and personnel measures that are appropriate to prevent further criminal offences or misconduct.

The measures taken by the Supplier shall be evaluated taking into account the gravity and particular circumstances of the criminal offence or misconduct. Where the measures are considered by the Authority to be insufficient, the Supplier shall be given a statement of the reasons for that decision.

#### 4. Grounds for discretionary exclusion - Part 2

The authority reserves the right to use its discretion to exclude a supplier where it can demonstrate the supplier's non-payment of taxes/social security contributions where no binding legal decision has been taken.

Please note that Section 4 relating to tax compliance only applies where the Authority has indicated that the contract is over £5million in value, and the Authority is a Central Government Department (including their Executive Agencies and Non-Departmental Public Bodies).

"Occasion of Tax Non-Compliance" means:

- (a) any tax return of the Supplier submitted to a Relevant Tax Authority on or after 1 October 2012 is found to be incorrect as a result of:
  1. a Relevant Tax Authority successfully challenging the Supplier under the General Anti-Abuse Rule or the Halifax Abuse Principle or under any tax rules or legislation that have an effect equivalent or similar to the General Anti-Abuse Rule or the Halifax Abuse Principle;
  2. the failure of an avoidance scheme which the Supplier was involved in, and which was, or should have been, notified to a Relevant Tax Authority under the DOTAS or any equivalent or similar regime; and/or
- (b) the Supplier's tax affairs give rise on or after 1 April 2013 to a criminal conviction in any jurisdiction for tax related offences which is not spent at the Effective Date or to a penalty for civil fraud or evasion

From 1 April 2013 onwards, have any of your company's tax returns submitted on or after 1 October 2012; (Please indicate your answer by marking 'X' in the relevant box).		
4.1	Given rise to a criminal conviction for tax related offences which is unspent, or to a civil penalty for fraud or evasion;	<input type="checkbox"/> Yes <input checked="" type="checkbox"/> No

If answering “Yes” to either 4.1 or 4.2 above, the Supplier may provide details of any mitigating factors that it considers relevant and that it wishes the Authority to take into consideration. This could include, for example:

- Corrective action undertaken by the Supplier to date;
- Planned corrective action to be taken;
- Changes in personnel or ownership since the Occasion of Non-Compliance (OONC); or
- Changes in financial, accounting, audit or management procedures since the OONC.

In order that the Authority can consider any factors raised by the Supplier, the following information should be provided:

- A brief description of the occasion, the tax to which it applied, and the type of “non-compliance” e.g. whether HMRC or the foreign tax authority has challenged pursuant to the GAAR, the “Halifax” abuse principle etc.
- Where the OONC relates to a DOTAS, the number of the relevant scheme.
- The date of the original “non-compliance” and the date of any judgement against the Supplier, or date when the return was amended.
- The level of any penalty or criminal conviction applied.
