

Following a meeting of Worthen with Shelve Parish Council on Monday 28th March please be advised as follows:

Re Q6.

The Parish Councillors representing a rural Parish felt that the £80/m² levy rates in rural areas was too high and disproportionate to the £40/m² levy rate in Shrewsbury.

For further information Worthen with Shelve Parish Council have recently secured funding for a Parish plan and hope to have this completed by July 2012.

With Regards
Sarah Crossland
