Dear Ms Salter

Shropshire CIL Examination

On behalf of my client, Lioncourt Homes, I write to provide an update of their position regarding representations that have been submitted in respect of the Shropshire Community Infrastructure Levy. Savills was instructed by Lioncourt Homes in May 2011 to progress representations that had previously been submitted in April 2011.

The attached schedule provides a summary of the representations submitted on behalf of Lioncourt Homes to date and the position that they now wish to take. Having reflected on the status of the representations, Lioncourt also wish to amend their position to a Written Representation in respect of the CIL Charging Schedule and the proposal by the Council to set a nil rate for commercial uses. On the basis of the single objection, Lioncourt wish to withdraw from their position at the forthcoming CIL Examination, scheduled to take place on 27 July, and rely on the attached Written Representation.

I trust the above and attached schedule provides confirmation of Lioncourt's position and we look forward to receiving acknowledgement of receipt in due course.

Yours sincerely

Michael Davies
Planning Director
